Review of School Academic Plan SY 2007-2008

Goal 1: Improve Student achievement through Standards-Based Education

Writing focus

New write source program

HSA used as measure

HSA is a written response test

Writing is the focus, cause if a child can't write a response they will not do well in the HSA testing. Because the test is not multi choice or computation any more, it's explanation.

Changes to goal 1

Add some cost to increase parent knowledge about the school writing program.

Goal 2: Provide comprehensive support for all students

Focus on kid that are doing, to set the premise for kid that are not performing

Creating a culture for learning

Recognition and celebration for doing the right thing

Focus is on differentiation learning, so it provides more avenues for the kid to succeed.

Changes goal 2

-combine 1 and 2

Goal 3: Continuously improve performance and quality

Revisit/revise vision and mission statement

Finding time for teachers to have across grade articulation.

Changes goal 3

None
